

BRUCE MUNRO: TROPICAL LIGHT

A Night of Indulgence

Your evening begins with pick-up from your hotel or residence by private luxury vehicle. Sit back and relax as you journey to East Point Reserve to enjoy a spectacular Darwin sunset. Toast the setting sun with an ice-cold glass of Moët & Chandon or a refreshing drop from Darwin's own One Mile Brewing Company, then enjoy Territory-inspired canapés as the sun slips below the horizon. Your driver will then deliver you to one of Darwin's premier restaurants, Char, around 7pm.

On arrival at Char, housed in the heritage-listed Admiralty House, choose your main course from the extensive fine-dining menu including fresh local seafood and some of Australia's finest meats including the house specialty Wagyu Rump Cap steak. Paired with one of the country's finest reds, the 2015 Rockford Basket Press Shiraz is beautifully tensioned with exquisite dark berry fruits, underlying roasted chestnut notes and long, muscular tannins.

After your main course, join your driver for an exclusive Bruce Munro: Tropical Light tour. This outdoor exhibition features eight illuminated sculptures installed across the Darwin CBD, interspersed with works from local artists. Created by world-renowned artist Bruce Munro, who spectacularly illuminated Uluru with his Field of Light installation, the eight illuminated sculptures reflect the artist's personal history of visiting Australia and the NT.

After drinking in the atmosphere of the exhibition and learning more about each illuminated sculpture, return to Char for the final course of this evening's fine-dining experience. Choose between a Tropical Light-inspired passionfruit crème brulee, mango sorbet or key lime pie with coconut ice cream. End your evening with a tea or coffee followed by a glass of one of Australia's finest desert wines – the 2016 De Bortoli Nobel One Botrytis Semillon.

All good things must come to an end, but this night ends on a high being delivered to your door around midnight.
